Dear Mr Bucior,

Re.: Drydockingrepairs

We herewith would like to inform you that we are very happy that the owners here in the Netherlands are very satisfied with the service you have given them during the drydockingrepairs of their vessels.

All over the past 5 years your quality maintained on the high-level, your workforce was well educated and duration of the jobs was always kept within the limit.

So, consequently we have a good reason to recommend your service to other owners as well!

With kind regards,

ATRA Holland BV
